RADIOLOGICAL

The owner\*, Hitachi, Ltd., of 100

percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patents granted on pending reference Application Numbers 10/668,324 filed on September 24, 2003 and 10/246,450 filed on September 9, 2002 as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patents granted on said reference applications may be shortened by any terminal disclaimer filed prior to the grant of any patents on the pending reference applications. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the patents granted on the reference applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said reference applications "as the term of any patents granted on said reference applications may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference applications," in the event that: any such patent: granted on the pending reference applications: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
